About me

I am a **Front-End** developer. My main area of expertise is **HTML**, **CSS**, **JavaScript**, **Vue.js** and **Tailwindcss**.

I work as a Freelancer and my focus is to build my client portfolio with the intention of developing my skills in a company with constant growth that allows me to improve my skills.

If you need more information about me, you can send to the development team, my web portfolio <https://manufer24.github.io/portfolio-cv/> in which I can show a little more about my technical background.
